World Trade Center Steel Beam Installed at Garden of Heroes *Lakeland FD and Legislator Lindsay Receive Artifact*

Photo Caption: Suffolk County Legislature Presiding Officer William J. Lindsay (right) and Lakeland Fire Department Chief Paul Marotta receive a World Trade Center steel beam to be installed at the department's Garden of Heroes memorial park on Johnson Avenue in Ronkonkoma.

On Wednesday, August 17, Suffolk County Legislature Presiding Officer William J. Lindsay and the Lakeland Fire Department received a September 11 World Trade Center steel beam. The beam will be installed at the department's Garden of Heroes memorial park in preparation for the tenth anniversary of the tragic attacks.

"As we approach the tenth anniversary of the attacks on September 11th, we must remember all of the men and women who unselfishly responded to the calls at the World Trade Center and the lives of all lost on that day," said Presiding Officer Lindsay. "It is with great pride that I join the Lakeland Fire Department and bring this invaluable artifact to our community, and I thank all of our emergency personnel for their diligence in protecting us."

All are welcome to join the Lakeland Fire Department for their annual memorial service at the Garden of Heroes, 929 Johnson Avenue, Ronkonkoma, on Sunday, September 11, 7:00PM. Please call (631) 588-8373 for any further information.
